1. What grace, O Lord, and beau - ty shone A - round Thy steps be -
low! What pa - tient love was seen in all Thy life and death of woe!

2. Thou love steadfast didst manifest
Through toilsome path extreme;
By pain, e'en death, wast not distressed—
Long-suffering love supreme!
3. Forever on Thy burdened heart
A weight of sorrow hung,
Yet no ungentle, murm'ring word
Escaped Thy silent tongue.
4. Thy foes did hate, despise, revile,
Thy friends unfaithful prove;
Unwearied in forgiveness still,
Thy heart could only love!
5. In all Thy living, fragrant, sweet,
Meal offering's realized:
Fine, tender, balanced, and complete—
By God and man e'er prized.
