(Guitar: Capo 1)

1. Long be-fore the Lord I wholeheart-ed-ly implored, Hop-ing I from sin would be set  
 free. Mer-cy He out-poured And this an-swer did afford: Spir-it's man-i-fest in  
 me. **Chorus** (C) Spir-it's man-i-fest in me. Bonds are bro-ken! I'm set  
 free! He released my soul from sin; All my be-ing prais-es Him: Spir-it's man-i-fest in me.

2. Weak for years and maimed,  
 Useless vessel I remained;  
 Though within I knew I strong should be.  
 All at once, grace came;  
 And with joy I now proclaim:  
 Spirit's manifest in me!
3. Of the Spirit's might  
 I can testify aright,  
 For He's caused my heart enlarged to be.  
 I've been freed from pride,  
 From sin's habits purified:  
 Spirit's manifest in me.
4. Now I've certainty  
 I the face of God can see;  
 Fully cleansed, I'm shining radiantly.  
 In my spirit, He's  
 All-sufficient grace to me:  
 Spirit's manifest in me.
