(Guitar)

1. From the heav'ns, O glo - rious Lord, You as Spir - it were out - poured;
Var - ied grace did You bes - tow To Your church on earth be - low;
By Your faith - ful - ness, O Lord, Once a - gain Your gifts af - ford.

2. I was baptized in Your name;
Spirits two thus one became;
Lord, Your Body has obtained
All Your gifts, all You've attained;
I'm a member, so, 'tis plain,
I, too, will this power gain.
3. Grant me power to proclaim
You've received the highest name;
Grant the gift that I might preach,
All Your works to sinners reach.
For Your service, knowledge grant,
Overcoming to implant.
4. Here, as hands are laid on me,
As I make a vow to Thee,
Gifts I long for solemnly.
On Your facts I base my plea:
Pow'r unlimited outpour;
Make us useful vessels, Lord.
