2. What wonder, Lord, Thou art in me;  
I seek not heights nor depths for Thee,  
But in my spirit, instantly,  
Spirit I touch, no space from Thee.
3. Thou art my Advocate in heav'n,  
My spirit's ointment, grace within;  
All Thou before God dost for me  
Is in my spirit touched by me.
4. Yet how unfaithful is my heart;  
Oft deeply touched, I still depart;  
Lord, visit, pity, breathe, inspire,  
My function to fulfill entire.
5. Lord, when my spirit's drained and low,  
And can't Your grace to others show,  
Then breathe upon me inwardly,  
That I be fully filled with Thee.
