By sin bur - dened oft in con - science, with no rest at hand,
How I yearned less bricks to burn, but bur - dens kept in - creasing— Sad, I'd nev - er heard of the beau - teous
land. (C) I've scaled the lof - ty moun - tain, as the sun shines bright on
me; I'm drink - ing at the foun - tain that flows un - ceas - ing -

2. Praise to the Passover Lamb; praise for His blood's redemption!
Baptized, freed from Egypt, in the wilderness to stand;
Wand'ring oft in circles, sometimes tempted, sometimes strengthened,
I lacked faith to enter the glorious land.
3. Christ my Lord has raised me to the heavens, with Him seated;
Pow'rs in air He's vanquished; Satan has no rest or stand!
In the name of Jesus, Hades and its pow'rs retreated;
There is total vict'ry in God's Good Land!
4. Here is joy none can exceed, and peace beyond all measure,
Glad communion, love most sweet, and hymns on every hand!
No more sorrow, lonely feeling—only rest and pleasure,
Hallelujah! This is the glorious land!
