2. Walking with the Lord—what splendor!

Dawn shines forth to greet the day;
 Each step, to His voice surrender;
 Every moment take His way.

Step by step, following,
 I'm pursuing Jesus;
 Breath by breath, following
 The strait way with Jesus.

3. Walk with Him—naught can alarm us,

Though assailed from many sides;
 Step by step obey His guidance;
 Narrow path, where'er He guides.

Step by step, following,
 I'm pursuing Jesus;
 Every place, following
 The strait way with Jesus.

4. Walk with Him—our future's precious;

With Him we'll His kingdom gain;
 Every step, pursue His purpose,
 On His narrow way remain.

Step by step, following,
 I'm pursuing Jesus;
 I'll remain, following
 The strait way with Jesus.
