2. The cross is life to me.
Hallelujah! Hallelujah!
It grants authority.
Hallelujah! Hallelujah!
Self, feelings, rise in vain;
Earth's powers can't remain;
All enemies are slain!
Overcoming by the cross!

3. This banner, joyfully—
Hallelujah! Hallelujah!
I'll raise eternally—
Hallelujah! Hallelujah!
My weakness turns to might,
Depression to delight,
Dark gloom to glory bright—
Liberated by the cross!
