Chorus
(C) Praise the Sav-ior's full re - demp - tion, Sav - ing sufferers in the world;

13 Praise the Sav-ior, my Phy - si - cian; By His stripes I have been healed.

2. Whosoever would beseech Him,
All will surely welcomed be.
Sickness causes me to seek Him;
By His stripes, His pow'r heals me.
3. Praise Him for His ointment holy—
'Tis the Spirit, gift outpoured;
O Lord, lay Your hands upon me;
By Your stripes, a cure afford.
4. When come flaming darts from Satan,
Be our sure defending shield.
We shall reach our destination,
For Your stripes have pow'r to heal.
5. Lord, I offer all my members
Glory unto Thee to yield;
Let me evermore remember—
In Your stripes is pow'r to heal.
