1. Life, as va - por, quick - ly fades; As a cloud, it dis - sipates; As a
dream, e-vap - o - rates; Be in time! Fly - ing time declares 'tis true: In a
flash, death fac - es you; Just a lit - tle late, you're through; Be in time! (C) Be in
time! Be in time! While the voice of Je - sus calls you, Be in
time! If in sin you long - er wait, You may find no o - pen gate, And your
cry be just too late: Be in time!

2. May the wise attentive hear:

Morning blooms soon disappear.
Who can bring back yesteryear?
Be in time!
Do your calculations fast,
Lest the line of death is passed,
And you into fire are cast;
Be in time!

3. Still the Spirit's touching you,
Often wrestling with you, too.
Why not yield, that peace ensue?

Be in time!
Jesus waits to give you grace;
Save you from your woeful case;
Don't wait foolishly! Make haste!
Be in time!

4. Sinners, heed this sage advice:

God's salvation, don't despise.
Choose the Savior in a trice!
Be in time!
Quickly, to His bosom fly;
Let Christ in your heart thereby;
While it's still today, draw nigh;
Be in time!
