2. In the morning we enjoy Christ's shining,
 Receiving His healing and enlivening. (Mal. 4:2)
 In the morning we enjoy Christ's shining,
 Receiving His healing and enlivening. (Mal. 4:2)
 If we love Him with our being,
 We'll be like the sun in its rising! (Judg. 5:31)
 Every day we behold His shining,
 And we'll be just like Him.
 We need to follow the sunrising—
 Yearning for His appearing!
