3. God's only goal in time
 Is to pour out His Son,
 His Spirit joined to mine,
 Intrinsicly made one;
 And fanned into a flame,
 Would spread His fire, divine
 Into my inward parts,
 This four-part heart of mine.

4. Oh, let God's goal be mine,
 To gain Christ while I live,
 Consumed by holy fire,
 My every moment give;
 And now I am assured
 The One to whom I pray
 Patrols and guards my heart
 Unto that coming day.

Jesus! Call His name today!
 Jesus! Call Him day by day!
 Jesus! In His name we pray!
 God's life dispensed,
 Now I'm convinced,
 Lord, You're God's goal and way!
