2. God's merciful compassions

In Jesus Christ appear,
Exper'enced every morning,
Dissolving all my fear;
The Father of compassions
And God of comfort gives
To me His loving essence
And in my spirit lives.

3. God's faithfulness is greater

Than all my faithlessness;
His nature and His being
Became my blessedness;
His calling and His keeping
In Christ the Son, so sweet,
Will sanctify me wholly,
And will preserve complete.
