- 2. God's merciful compassions
  In Jesus Christ appear,
  Exper'enced every morning,
  Dissolving all my fear;
  The Father of compassions
  And God of comfort gives
  To me His loving essence
  And in my spirit lives.
- 3. God's faithfulness is greater Than all my faithlessness; His nature and His being Became my blessedness; His calling and His keeping In Christ the Son, so sweet, Will sanctify me wholly, And will preserve complete.
