**Chorus**  
(C) Let the A - men sound a - gain— Let the A - men sound a - gain— Let the A - men  
sound a - gain— A - men, A - men! A - men, A - men!

**Last Chorus**  
Let our A - men sound a - gain— Let our A - men sound a - gain—  
Let our A - men sound a - gain— A - men, A - men!  
A - men, A - men! (A - men A - men! A - men!)

2. Lord, I have no confidence  
In who I am or what I do.  
Only You are able to  
Endure and overcome;  
Sustain with just one word.

3. How we need Your life each day  
To wash our oldness all away.  
Renew me to be Spirit-filled;  
By your abundant grace  
We will run this race.

4. Shining in the darkest hour,  
Comfort us in every trial;  
Hold us in Your very hand,  
The Body life is real,  
Oh Lord You are so near.

5. Saving us from emptiness,  
Broken cisterns holding less,  
Deceitful riches, grasping air,  
Only You are preciousness.  
We will love You with our best.

6. Lord we praise You for Your way  
To free the flow of life each day  
In every joy or suffering  
Experienced, not vain—  
We would not be put to shame.

Let our Amen sound again—  
Let our Amen sound again—  
Let our Amen sound again—  
Amen, Amen! Amen, Amen!  
(Amen Amen! Amen!)
