

The Christian Life

Various Aspects of the Inner Life — Inner Life, Daily Life, Meeting Life

1. The Chris-tian life, a Christfilled life, A life of liv - ing Christ as
life, Is Christ my per - son and my grace, A life of liv - ing face to
face. The Christian life, a lov - ing life, A life of lov - ing freed from
strife, Is God in Christ as love poured out, Enjoyed with - in, ex - pressed with - out.

2. The Christian life is God in Christ,
A priceless treasure and our life;
We turn, behold, reflect, and see,
Een as He is, we all shall be.

The Christian life, a broken life,
A life no longer I, but Christ,
Is Christ our fragrance and our taste,
By Spirit: holy, pure, and chaste.

3. The Christian life, a grafted life,
Is found in our Lord Jesus Christ;
And by His cutting on the Tree
A place was made for you and me.

The Christian life, a grafted life,
Is Christs desire, and Gods delight;
Organic union with the Lord,
We live in Christ in one accord.

4. The Christian life, a growing life,
Joined to the resurrected Christ,
In Spirit grows organically,
To be His Body practically.

The Christian life, maturing life,
Is Christ in all to be applied;
Tis not exchanged but mingled in,
The richest life with mine does blend.
