2. O God of Glory, now
 Appear to me;
 Just as with Abraham,
 Shine repeatedly.
 Come, Lord, expose with light
 What idols I hold tight.
 Be more my heart's delight;
 Appear to me.

3. When, Lord, I drag my feet,
 Appear to me.
 When things with Thee compete,
 Lord, appear to me.
 Light from Thy glorious face
 Infuses me with grace
 That I may run the race.
 Appear to me.

4. Lord, as each day goes by,
 Appear to me
 Till face to face, so nigh,
 I shall always be,
 Looking away to Thee,
 With eyes so lovingly,
 For all eternity;
 Appear to me.
