

One Day All Knees Will Bow

Encouragement — For Pressing On

(Guitar: Capo 1)

1. So law - less runs the fall - en earth, Pur - su - ing sin for all it's
worth— We'll turn and take an - oth - er way, an - oth - er way.
Lord, reign in us! With o - pen heart We wel - come You in ev - ery
part; Your king - dom come in us to - day, in us to - day.
Chorus
(C) One day all knees will bow; Je - sus, we con - fess You
now— We pro - claim You Lord to - day.
Though there's dark - ness all a - round, With Your sons the light a -
bounds, And we'll praise You, praise You on our way.

2. Usurped and under Satan's sway,
God's will opposed in every way—
This age pulls like a mighty tide, a mighty tide.
O Lord, our every thought renew,
Our eyes keep drawing unto You,
Our feet plant firmly on Your side, Lord, on Your side.

3. O King of glory, come, we pray!
Transform us more, Lord, day by day
That life on earth would not be vain, would not be vain.
Oh, make us those who meet Your need,
Provide a beachhead that will speed
Your coming back to rule and reign, to rule and reign!
