The Church — Building by the Growth in Life

(Guitar)

1. Lord Je - sus, I love You And I love Your dwelling. You

Chorus
 stones that are living, So build - ing the church Is our grow - ing this way. (C) Oh
 God of all grace, By Your rul - ing and breaking, Do strength - en me in - to My
 spir - it to - day. Keep guard - ing my heart, With all vig - i - lance tak - ing The
 path - way of life, In Your build - ing to stay.

2. Lord, grant me a growth
 In Your life, nothing hind'ring.
 Don't let any obstacles
 In me remain.
 Receiving Your cross
 With its breaking and killing,
 Produce the good earth;
 In my heart have Your way.

3. I'm often distracted
 From Christ as the life-way;
 Though zealous and active,
 Imprisoned He stays.
 Ignoring His "No,"
 I rebel, take my own way.
 Subdue me to care for
 Each word that You say.

4. Lord, make me someone
 Who is fit for Your building.
 By dealing severely,
 No hind'rance remain.
 Your life grow within me
 Till fully maturing,
 Your Bride shines in glory
 For Your wedding day.
