2. So this is the covenant which He has made
With the chosen ones who we are today.
Thus the Lord says, thus the Lord says:
He has put His law in our inward parts.
It's written upon our hearts,
And now He is our God.
Yes! Now He is our God.
Truly He is our God,
And His people now we are.
And now He is our God.
Yes! Now He is our God,
And His people now we are.
We are walking in Him, Hallelujah!
